

**St Bernadette SCC** have a monthly prayer meeting in one of the Members house every month, getting together all the members in prayer and reading the Word of God. We the Office bearers also update all the members about all the activities that the Parish council has planned to do. During the Season times like Christmass we go out carrol singing to all the members houses and give the Advent Season a true meaning of happiness. We also have an Outreach programme where we visit a misfortunate people's home and help them in our small way. In the case of an unfortunat event like death we visit the Family as a group and Express our Condolence and help them in whatever way we can. At all times we carry out a feeling of unitedness, whether in church or in our environment in and around our homes, making our Small Christian Group felt and appreciated by everyone. Thanks and God Bless !
