

St. Faustina's SCC was formed in the month of August 2012. We have 40 families in this SCC till date. The first activity was that we gave a CD on the life of St. Faustina and with the Divine Mercy Chaplet to every family. Every meeting the following Sunday's Gospel is the reading for sharing of the word. This way every member present is prepared for the next Sunday liturgy. We made visits to homes in the SCC to pray for the sick. Old clothes have been collected and given to Jeevodaya Cancer Institute. Mass Animation and Offering we try to involve different families so that they all get involved with the SCC. Other outreach programmes have been organized to help the poor and share our blessings.

The annual feast of St Faustina is celebrated on the 05th October each year and the Sunday nearest to that day we celebrate the Feast in any members' house with Mass and dinner. The dinner is always a shared meal that each family cooks and shares.

Once a year we organise a picnic and spend time as a family.
